Saints of New York: A Novel R. J. Ellory

As brisk and brutal as an episode of *The Wire*, *Saints of New York* is a fast-paced and gripping thriller set in the crooked world of the NYPD.

By the author of *A Quiet Belief in Angels*, praised by Michael Connelly as “a beautiful and haunting book,” *Saints of New York* is a powerful new crime novel. NYPD Detective Frank Parrish barely notices the death of a young heroin dealer?just another casualty of the drug war. But when the dealer's sister turns up as the first of many corpses, Frank must try desperately to make sense of the disturbingly uniform deaths?all while battling his own demons. Frank is the son of a legendary NYPD detective and one of the original “Saints of New York” who cleaned up the Mafia in the 1980s. As the murders accelerate, Frank struggles to fulfill the legacy of his father and piece together not only his case, but also his life. Dark and intense, *Saints of New York* is a novel of corruption and redemption, of the relentless persistence required to find the truth, and of one man’s search for meaning amidst the ghosts of his own conscience.
