The Black Cat

Philip J. Riley, Gregory Wm. Mank

The Black Cat Philip J. Riley, Gregory Wm. Mank

In 1934, Universal Pictures released *The Black Cat* - the first teaming of Boris Karloff and Bela Lugosi, and the darkest, most sinister horror classic in the studio's legendary canon. MagicImage Filmbooks takes you on a time travel trip back into the shadowy soundstage of this macabre milestone - the facts, the figures, the studio politics, the sinister inspirations, the demonic virtuosity of director Edgar G. Ulmer, the censorship troubles, the personal memories of the leading ladies, a sexual harassment saga almost as perverse as the film itself... and the complex, moving, ultimately tragic relationship of the film's two horror superstars. Included are the pressbook, and many rare and striking photos. Plus: "The BLACK CAT: Universal's Symphony of Horrors, The Film's Music" by Randall D. Larson

From reader reviews:

Dorothy Marsh:

Here thing why this kind of The Black Cat are different and reliable to be yours. First of all looking at a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not. The Black Cat giving you information deeper since different ways, you can find any publication out there but there is no reserve that similar with The Black Cat. It gives you thrill looking at journey, its open up your current eyes about the thing that will happened in the world which is perhaps can be happened around you. You can bring everywhere like in park, café, or even in your technique home by train. Should you be having difficulties in bringing the printed book maybe the form of The Black Cat in e-book can be your substitute.

Peter Holmes:

The actual book The Black Cat will bring one to the new experience of reading a book. The author style to explain the idea is very unique. Should you try to find new book to see, this book very acceptable to you. The book The Black Cat is much recommended to you to learn. You can also get the e-book from official web site, so you can more readily to read the book.

Bernard Davisson:

The reason? Because this The Black Cat is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Juanita Geil:

As we know that book is significant thing to add our expertise for everything. By a publication we can know everything we would like. A book is a pair of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This publication The Black Cat was filled concerning science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big good thing about a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get book you wanted.
