The Murder House

James Patterson, David Ellis

The Murder House James Patterson, David Ellis

It has an ocean-front view, a private beach--and a deadly secret that won't stay buried.

No. 7 Ocean Drive is a gorgeous, multi-million-dollar beachfront estate in the Hamptons, where money and privilege know no bounds. But its beautiful gothic exterior hides a horrific past: it was the scene of a series of depraved killings that have never been solved. Neglected, empty, and rumored to be cursed, it's known as the Murder House, and locals keep their distance.

Detective Jenna Murphy used to consider herself a local, but she hasn't been back since she was a girl. Trying to escape her troubled past and rehabilitate a career on the rocks, the former New York City cop hardly expects her lush and wealthy surroundings to be a hotbed of grisly depravity. But when a Hollywood power broker and his mistress are found dead in the abandoned Murder House, the gruesome crime scene rivals anything Jenna experienced in Manhattan. And what at first seems like an open and shut case turns out to have as many shocking secrets as the Murder House itself, as Jenna quickly realizes that the mansion's history is much darker than even the town's most salacious gossips could have imagined. As more bodies surface, and the secret that Jenna has tried desperately to escape closes in on her, she must risk her own life to expose the truth--before the Murder House claims another victim.

Full of the twists and turns that have made James Patterson the world's #1 bestselling writer, **THE MURDER HOUSE** is a chilling, page-turning story of murder, money, and revenge.

From reader reviews:

Lauren Graves:

Now a day individuals who Living in the era exactly where everything reachable by talk with the internet and the resources inside it can be true or not involve people to be aware of each data they get. How individuals to be smart in obtaining any information nowadays? Of course the answer then is reading a book. Reading a book can help persons out of this uncertainty Information specifically this The Murder House book since this book offers you rich details and knowledge. Of course the information in this book hundred per cent guarantees there is no doubt in it as you know.

Gena Colgan:

Information is provisions for those to get better life, information today can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider if those information which is in the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take The Murder House as your daily resource information.

Teresa Powers:

This The Murder House is great guide for you because the content that is full of information for you who else always deal with world and also have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with lovely delivering sentences. Having The Murder House in your hand like obtaining the world in your arm, info in it is not ridiculous a single. We can say that no book that offer you world within ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt which?

Joseph Robison:

Is it you actually who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This The Murder House can be the answer, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
