## **The Smiths** Michael Siemsen

When he was a kid, Kyle woke up early one morning to find a brand new, fully sealed Super Nintendo Entertainment System on his bedroom floor. He'd been begging for the game console for months and, apparently, Mom and Dad had finally made his dream come true. But they hadn't bought him the SNES, and when he burst into their room to thank them, the concerned look his parents shared revealed they knew something he didn't: a family secret, guarded over hundreds of years.

The Smiths have always been makers. For generations, the "maker" skills passed from parent to child have been refined and perfected. But San Francisco resident and factory owner Kyle Smith is an exception, even among his exceptional family, and tonight, at his parents' annual New Year's Eve party, he discovers the Smith family's special talents aren't the only secrets they've been keeping.
