A houseful of people he loathes is not Sir Arthur's worst problem?

It should have been a lovely English country-house weekend. But the unfortunate guest-list is enough to exasperate a saint, and the host, Sir Arthur Billington-Smith, is an abusive wretch hated by everyone from his disinherited son to his wife's stoic would-be lover. When Sir Arthur is found stabbed to death, no one is particularly grieved?and no one has an alibi. The unhappy guests find themselves under the scrutiny of Scotland Yard's cool-headed Inspector Harding, who has solved tough cases before?but this time, the talented young inspector discovers much more than he's bargained for.
