Quite enjoyed this one, the cards were on the table almost right from the start. Bill Canavan rides into town, on the way he meets the feisty girl he wants to marry - and races her and her horse Flame, Winning as well. She is daughter of one of the clans who are controlling things thereabouts. The other clan is headed by Reynolds, a man with a very unsavoury past which Canavan knows well enough - and when challenged lets everyone else know about it as well.
