Barchester Towers (Oxford World's Classics) Anthony Trollope

'Mr Slope flattered himself that he could out-manoeuvre the lady...he did not doubt of ultimate triumph.'

Barchester Towers (1857) was the book that made Trollope's reputation and it remains his most popular and enjoyable novel. The arrival of a new bishop in Barchester, accompanied by his formidable wife and ambitious chaplain, Obadiah Slope, sets the town in turmoil as Archdeacon Grantly declares 'War, war, internecine war!' on Bishop Proudie and his supporters. Who will come out on top in the battle between the archdeacon, the bishop, Mr Slope, and Mrs Proudie?

The livelihood of Mr Harding, the saintly hero of *The Warden*, is once more under threat but clerical warfare finds itself tangled up in the wayward (and sometimes perverse) desires of the many courtships, seductions, and romances of the book. Who will marry Eleanor Bold? Can any man resist the charms of the exotically beautiful 'La Signora Madeline Vesey Neroni'? Will the oily Mr Slope finally get his comeuppance? John Bowen's introduction examines the literary skill with which Trollope combines comedy and acute social and psychological observation in this new edition.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
