Contemporary US Cinema

Michael Allen

Contemporary US Cinema Michael Allen

Contemporary U.S. Cinema is a forceful exploration of the tumultuous changes that have dominated the shifting landscape of American film-making over the past three decades. From the explosive release of *Easy Rider* to the excesses of *Heaven's Gate* and the comic book figures of *Spider-Man*, its aim is to examine the economic, social and cultural contexts of mainstream and independent American films.

The book divides into nine provocative chapters with material on:

- the most significant individual film-makers, such as Scorsese, Coppola and Lucas, as well as independent film-makers like Jarmusch and Anders
- the careers of leading actors of the last thirty years, such as Jack Nicholson, Robert Redford and Julia Roberts, whilst exploring the powerful position of the film star in the modern American film-making process
- the economics of Contemporary U.S. Cinema with particular reference to the tortuous journey from production, distribution and exhibition of *Waterworld* and *Titanic*
- the artistic influence of foreign film-makers, such as François Truffaut and Jean-Luc Godard, and explores Hollywood's increasing dominance and reliance on the global market
- genres, sequels and the recent developments in computer-based technologies, using examples from *The Godfather I - III*, *The Matrix*, the *Star Wars* saga and remakes from *Shaft* to *Ocean's Eleven*

The book is illustrated with stills throughout and includes a bibliography and annotated further reading list.

Among the books in the top checklist in your reading list is actually Contemporary US Cinema. This book which is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upward and review this guide you can get many advantages.

Priscilla Garcia:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Contemporary US Cinema can make you experience more interested to read.
