In June 2013, 27 students, five teachers, and a few parents and grandparents traveled from tiny little Minooka, Illinois all the way across the Atlantic to take an educational tour of England. During their travels, they experienced the history of London, the White Cliffs of Dover, the Cathedral in Canterbury, the mystery of Stonehenge, the ancient Roman ruins in Bath, the excitement of Warwick, the spectacle on the stage in Stratford, the beauty of Snowdon, the intrigue of York, and the legends of Nottingham. Each year we create a new book about our destination, written by students, teachers, and parents that are involved in our program, as well as students that have traveled with us in the past and those that hope to travel with us in the future.
