Prepper: Bugout Basics Basics - Create Your Apocalypse Survival Bug Out Bag

Will you be ready when the shit hits the fan?

Disaster happens.

It has happened before and it'll happen again. You need to be prepared.

A tornado hits. Floods sweep the country. A deadly virus is released into the population. A nuclear bomb explodes. The zombie apocalypse finally arrives. Are you ready?

In *Prepper: Bug Out Bag Basics*, Jack Gunnar gives readers a step-by-step guide to preparing for any major disaster. A bug out bag contains an important set of supplies which will help anyone to survive the evacuation and first few days after disaster strikes.

Beginning with the preparation, this book ensures that the reader starts out on their adventurous journey with all the right foundations. Moving on to the supplies that every bug out bag should contain, this guide has impressive, comprehensive and reliable advice for both budding beginners and experienced survivalists.

Perhaps one of the most unique and helpful aspects of this book is the chapter dedicated to life beyond the bug out bag, which offers tips and advice for surviving long-term in a post-apocalyptic scenario.

This easy-to-read book is the perfect accompaniment for anyone who likes to be prepared, for anyone who wants to prepare for the end of the world, or for outdoors types who want to challenge themselves to something different.

In *Prepper: Bugout Basics Basics* you will learn:

- The different types of bug out bags and how they're used
- Essential items for your bug out bag and how to procure them
- How to build a bug out bag for long term survival
- How to maximize your bug out bag for wilderness living
- Living out of and then beyond your bug out bag
- ...and more

You need to be prepared for any scenario - that's the job of a prepper. Are you prepared?
