Let it begin...

Faced with a brutal murder, the police don't know where to turn until they spot a coded message on the wall. In blood - for Holmes' lapdog. The escaped serial killer Morgan Gregory is back and he wants police officer Ben Watson to come out to play once more...

While Watson was the one man to put Gregory behind bars, it is now his turn to play The Magpie Murderer's game. But this time the clues are more cryptic and as Gregory's murders continue to escalate how long will it be before Watson is next in the line of fire?

The Element of Death is perfect for fans of Jeffery Deaver, Peter James and Kerry Wilkinson.
