The apostle Paul tells us, "Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind" (Romans 12:2). Many people have tried to follow this exhortation but with little success.

Transforming into Christlikeness deals with the theological foundation of this transformation and provides discipleship material for small group discussion or individual reflection. It uses the Epistle of James to show us the Christian worldview and how one could proceed from where one is towards Christlikeness. This life-transforming and practical book will equip you with useful principles to live a more Christlike life.
