Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win Jonathan Bales

"Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win is a comprehensive look into the methods, numbers, and information utilized by the top fantasy football players in the world. Based upon a scientific approach to fantasy football, the book will take you through how fantasy football's pros—those truly profiting big bucks from the game—take home fantasy championships year in and year out. Starting with preseason research and moving to complex draft techniques and finally in-season strategies, "Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win" is built around the belief that everything you think you know about fantasy football should be questioned and tested. You'll learn which stats are most important to fantasy owners, how to understand and embrace the randomness inherent to the game, why some draft strategies are better than others, and most important, how to make the most accurate predictions possible so you can finally transform into the dominant fantasy owner you were meant to be.
