How to Make Millions of Dollars in Porn: One Easy Technique for Success Rock M Masterson

Expose on the porn industry, motivational book, and proven success technique to make millions, Rock M Masterson again gives a winning hit, with winning advice! Rock M Masterson was in porn for a year, and exposes his most important technique for making millions in porn. This is a short instructional guide of almost 11,000 words!

Book excerpt:

Let me tell you about my most famous porn movie. It was called Zeus, God of Cock. In the final scene, I f**ked over thirty beautiful women. Of course, I played Zeus. My requirement to the porn industry was that I always acted the part of a god or mightier in my porn scenes.

In the porn industry, I got used to shooting scenes at weird hours. For filming the final scene in the Zeus movie, the time was 5:45 am in a rather deluxe warehouse in Los Angeles. I specifically remember it was 5:45 am because a sweet young thing bounced up to me and said, "Excuse me mister, but what time is it?"

She was really cute. She was thin, with large boobs, and was wearing a tight, fitted pink top with a short white skirt. She shifted her weight back and forth seductively as she sucked on her finger.

As I eyed her up and down, I fetched my pocket watch to give her the time. "5:45 am," I told the eager lass.

She said, "Thanks mister. My name is Amber, and I'm extremely nervous! I've never done porn before. And, I'm actually a virgin." She then told me about how she was from Iowa, and had moved to the coast a year ago, and was struggling to make ends meet as a waitress.

Now, finding an actual virgin is incredibly rare in porn. There are tons of videos where women claim that it's their first time, but all of those videos are making it up. The word "virgin" in porn only means that it's the first video with that particular studio and the woman is under 40.

She continued shyly, "Um, I was wondering if I could practice on you."

"Certainly," I exclaimed as I quickly dropped both my pants and my pocket watch.

She kneeled down in front of me and gingerly gave me a blow job. She was absolutely terrible, which helped me verify that it actually was her first time. I was able to last through that horrific blowjob for about a minute, before I lied, "Um, you're doing fine with blow jobs. Now let's turn you around, and give your pussy some practice." I turned her quickly around and ripped off both her skirt and her black lacy underwear.

In contrast with a virginal mouth, which is horrible, a virginal vagina is like heaven. Her twat spasmed and gripped me in ways that take other pussies years of Kegel exercises to achieve. She was also one of the easiest women that I've ever brought to orgasm. This is another important point, there are almost no real female orgasms during a porn shoot. However, I have given thousands of orgasms to porn stars both before

and after the shoots!

We had about a half hour of fun, and then I stopped suddenly. She didn't want me to stop, but her body had almost given out on her from her dozens of orgasms shattering through her unpracticed body in such a short period of time. "We have to get to the set. See you on stage. Oh, and for advice. Just do what you did with me. Your orgasmic enthusiasm is incredible! Figure out how to do that again on stage and you'll be fine." My advice obviously helped a lot, because she went on to become extremely successful in porn.

I mention this story for a very significant reason. First, when you break into porn, you can expect to have sex with dozens and perhaps hundreds of beautiful women. I know that my count is well over a thousand, and I was only in the industry for about a year before I made my millions in porn. Second, almost all of the preconceptions about porn are wrong. Third, without my technique, the average man would never have been able to do what I did. Someone ordinary would have failed with both the aspiring actress before the shoot and also later during the Zeus shoot. But I did not fail!
