Love can help broken spirits soar again...

Songbird

Years ago, Greer and Taggart meant everything to Emily. Their cavalier rejection sent her into the arms of their youngest brother. Her angelic voice launches her to stardom—until tragedy shocks her into silence.

Grieving for their brother, Taggart and Greer take Emily back to Montana, determined to help her heal and find her voice again. Under the protective shield of their love, she begins to blossom. Then an old threat resurfaces. Now the men who love her face a fight for what they once threw away.

Stay With Me

Catherine hopes her announcement to the two men in her life—she’s pregnant—will be the perfect start to the vacation they promised her: two weeks on a Jamaican beach. No cell phones, no emails, no business. But when they blow her off for yet another “business emergency”, she packs her bags for her long-awaited vacation—alone.

When Logan and Rhys come home to an empty house, they realize two things: One, it was a mistake to take Catherine for granted. Two, they’re not willing to just let her walk out of their lives. Getting her back will be the toughest deal they’ve ever negotiated.

Warning: Linger contains lots of knot-in-the-throat emotional scenes, hot loving, ménage a trois, multiple partners, adult language and situations and committed polyamorous relationships.
