Marked for Travel: 101 International Travel tips for saving money, staying safe and enjoying your trips far more than ever before. Marc Mitchell

You do not have to spend a great deal of money to go on vacation. You have to set priorities. Do you want to sleep your entire vacation away? If so, send the kids to grandma's house and stay home. If not, why focus on some ridiculously high priced hotel with a balcony. If you are spending enough time in that hotel to feel like you really got your money's worth, you are not on vacation. You just traded one set of walls for another and you could have done that at your neighbor's house. How much time can you even spend on a tiny postage stamp of a balcony looking out into the ocean? I have a much better idea, stay in a hotel with no view whatsoever, it will encourage you to GET OUT OF THE HOTEL AND ACTUALLY HAVE A VACATION! In **Marked for Travel**, Marc Mitchell walks you through international travel tips to keep you safe, save you money and help you get much more out of your trip than you otherwise would have. Don't be a victim of a scam tour. Don't be a vanilla tourist and miss the actual culture. Learn to experience other countries and do so without 8 pieces of luggage and without all the stress to go with it. This book will pay for itself many times over in savings and happiness and I hope you have fun laughing with me as well as at me when you read it. The small bite size tips make it an easy ready for all.
