Beware of a kiss under the full moon. It will change your life forever.

Celeste Parker is used to hearing scary stories about werewolves—Legend's Run is famous for them. She's used to everything in the small town until Brandon Maddox moves to Legend's Run and Celeste finds herself drawn to him, much to the chagrin of her friends and perfect boyfriend. But when, after an unnerving visit with a psychic, she encounters a pack of wolves and gorgeous, enigmatic Brandon, she must discover if the stories are more than legend. He may be Celeste's hero or he may be the most dangerous creature she could encounter in the woods of Legend's Run.

Psychic predictions, generations-old secrets, a town divided, and the possibility of falling in love with a hot and heroic werewolf are the perfect formula for what happens . . . once in a full moon.
