The Outcast Majority: War, Development, and Youth in Africa

Marc Sommers

The Outcast Majority: War, Development, and Youth in Africa Marc Sommers

Sommers invites policymakers, practitioners, academics, students, and others to think about three commanding contemporary issues?war, development, and youth?in new ways. While African youth are demographically dominant, many act as if they are members of an outcast minority. Sommers shines a light on this gap and offers guidance on how to close it.
