Alien Nation Alan Dean Foster

The time---a future closer than we know. Where groups of extraterrestrial aliens have become familiar members of our society.

The place---Los Angeles. Still a town of fast times and hard crime, touching every life form inside the city limits.

The cops---Sykes, earthman, and Francisco, alien. Facing a menace meaner than the meanest streets on their beat. Fighting an enemy as terrifying as the darkest forces in a vast, unfathomable universe. Battling back with the best---and the deadliest---of both their worlds.
