What is it all about? It is all about worship and to whom you worship. Deception is on the rise, and we must not be ignorant of Satan's devices. In these last days of great deception, how do we know that we are worshipping the one true God. Our Bible, with the help of the Holy Spirit, reveals to us the one true living God. The books are a collection in seven volumes that will carry you on a journey through the Bible. You get a glimpse of what the children of Israel experienced while they were in the presence of the one true living God. This journey is meant to familiarize you with the people, places, dates, time and influence the true God and false gods had on the people of nations. The literature described in the book 'It is all about Worship and to Whom You Worship' come in a seven volume set. Volume II and Volume I is an overview of God's Creation, Fall of Man, the Flood, and the Beginning of Nations. Volume I covers an overview of the History of God's chosen people, their deliverance from Egypt, and Volume II covers an overview of the wilderness journey, and the Laws. Volume III and Volume IV covers an overview of the Nation of Israel and their entrance into the Promise Land. Volume V and Volume VI cover an overview of the Minor and Major Prophets during the days of the Kings of Israel and Judah up until their exile from their lands, their return back to their land, and prophecies of Daniel. In different places throughout the chapters of the books, world religions, cult religions that claim to be Christian are examined. Volume VII gives special attention to the Roman Empire, the Papacy, the Antichrist, False Prophets of today, the Beast, the Woman that Rides the Beast, the Rapture, the tribulation, the Great Tribulation, and current events that we see happening right in our life time--the Bible is truly coming to life, which show that the return of Jesus, the Christ is very near. Last, a clear understanding is given on the end times by covering prophecies in the Book of Daniel and Revelation, those prophecies that have been fulfilled, and those which are to be fulfilled in the soon future.
