Mas alla de mi Reaching Out Spanish Edition

Francisco Jiménez

Mas alla de mi Reaching Out Spanish Edition Francisco Jiménez

From the perspective of the young adult he once was, Francisco Jimenez describes the challenges he faces when continuing his education. During his college years, the very family solidarity that allows Francisco to survive as a child is tested. Not only must he leave his family when he goes to Santa Clara University, but while Francisco is there, his father abandons the family and returns to Mexico. This is the story of how Francisco copes with poverty, with his guilt over leaving his family financially strapped, with his self-doubt about succeeding academically, and with separation. Once again, his telling is honest and true—and inspiring.
