## **Landing the Internship or Full-Time Job During College** Robert Peterson

This book will be a game-changer for young professionals. While there is indeed a dearth of career books crowding the shelves at the bookstores and readily available from Amazon or Google searches, most are written by hiring managers and human resources professionals who graduated from college and graduate school decades ago. This book is different, because it is written by young bright minds who have recently made the transition from college to bright careers.-David Samuel, IBM industry executive

Landing the Internship or Full-Time Job During College is a collection of the secrets of those who have mastered career mobility. Author Robert R. Peterson interviewed more than twenty rising stars from Fortune 100 companies to amass how to engage the attention of prospective employers. Their experiences are profiled after each chapter, offering an inside look at the process each interviewee took to achieve their goals. From crafting a resume to comparing offer letters, it's all here-straight from those who have recently landed their dream jobs. Let their accomplishments propel you on the path to career success!
