Merton's Palace Of Nowhere - Search For God Through Awareness Of The True Self James Finley

This one door is the door of the Palace of Nowhere. It is the door of God. It is our very self, our true self called by God to perfect union with himself. And it is through this door we secretly enter in responding to the saving call to 'Come with me to the Palace of Nowhere where all the many things are one.' As a young man of eighteen, James Finley left home for an unlikely destination: the Abbey of Gethsemani, where Thomas Merton lived as a contemplative. Finley stayed at the monastery for six maturing years and later wrote this book in order to share with his readers a taste of what he had learned on his spiritual journey under the guidance of one of the great religious figures of our day. At the heart of the quest for spiritual identity are Thomas Merton's illuminating insights--leading from an awareness of the false and illusory self to a realization of the true self.
