Becoming a great guitarist and being a member of a band: those are the hopes and dreams of a young cat-girl named Amy Edwards. Amy and her friends spend their days hitting up record shops in search of vinyl and listening to their favorite bands. But as the group begins to grow up, things between them begin to change. Childhood dreams may not be just dreams anymore; there's a chance Amy and her friends might make it big. However, not everyone in Amy's life seems to be on her side. Will the music be enough to help them succeed, or will the pitfalls of adulthood stand in their way? Set in New York during the beginning of the new Millennium, and written in the style of William Faulkner's "As I Lay Dying", this is a story of love, friendship, and rock n' roll!
