Christopher Bray

Sean Connery: A Biography Christopher Bray

A biography of a star and an investigation of what can happen to a man when the images he creates take over his life.

Sean Connery's creation of secret agent James Bond invigorated Britain and its cinema, allowing a cash-strapped, morale-sapped country in decline to fancy itself still a player on the world stage. How can such worship not play havoc with one's soul—especially a soul as painfully unprepared for the pressures of stardom as Connery's?

Spirited and argumentative, Christopher Bray's *Sean Connery* is the story of an actor learning his craft on the job and, at the end of his career, of a man pressing his stardom into the service of a burgeoning political awareness.

24 pages of black & white photographs
