**Struggling Readers: Assessment and Instruction in Grades K-6** Ernest Balajthy EdD, Sally Lipa-Wade  
This practical book focuses on three distinct types of struggling readers that teachers will instantly recognize from their own classrooms--the Catch-On Reader, the Catch-Up Reader, and the Stalled Reader. Detailed case studies bring to life the specific problems these students are likely to face and illustrate research-based instructional strategies that can help get learning back on track. The book also illuminates the causes and consequences of literacy difficulties, giving K-6 teachers a better understanding of how to meet the needs of each child. A comprehensive appendix provides dozens of informal assessment devices, ready to photocopy and use. Other user-friendly features include annotated bibliographies of key research, descriptions of commercial materials and curricula designed for each type of learner, and information on technology resources.
