A new darkness creeps across Moirai. An ominous prophecy that is long forgotten begins to stir. Simon, an unassuming, untrained Weaver is thrust into events that are far larger than him. Simon, struggling with the thought that he might be responsible for his father's death, was unaware of the fact that it was an accidental release of his magic that was responsible. Alyssa, a princess, and next in line for the throne, searches for a cure for what ails her mother. She rescues Simon from a small mountain village where the villagers are set on killing him for his crime. However, things begin to unravel when Simon and Alyssa return to find her mother dead and her sister on the throne. A mission of mercy has turned into a struggle for survival.
