The Magic of Recluce

L. E. Modesitt Jr.

The Magic of Recluce L. E. Modesitt Jr.

The Magic of Recluce is, on one level, the coming-of-age story of the young magician Lerris. Apprenticed as a teenager to his uncle Sardit, a master woodworker, the bright and impatient Lerris soon finds he is unsuited for the patient precision required for woodworking, or, indeed, for life on the order-ruled isle of Recluce. The requirement for order bores Lerris, especially since he rejects all the explanations offered for why it's necessary, and before long he finds himself packed off to the capital city of Nylan to be trained for an exile that will either make him, or destroy him. Even in Nylan, where he discovers he has a talent for order-magery, Lerris finds more questions than answers, especially about the magic surrounding order and chaos, and the answers he does receive are even less satisfactory than the ones he got from his parents and his uncle, especially when he begins to realize that, regardless of what he is being taught, order does not necessarily equate to good. When Lerris finally arrives in Freetown, on the continent of Candar, once ruled by the mightiest chaos wizards in history, his education truly begins, as he finds himself without friends and allies, and still trying to understand who he is and why he was exiled.

Originally published in 1991, The Magic of Recluce was the first book of the Saga of Recluce, a series of books telling the stories of various individuals in the history of the world of Recluce on five continents over nearly 2000 years.

From reader reviews:

Clarence Hamm:

Book is to be different for each and every grade. Book for children right up until adult are different content. We all know that that book is very important for people. The book The Magic of Recluce had been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide The Magic of Recluce is not only giving you far more new information but also to get your friend when you experience bored. You can spend your own spend time to read your guide. Try to make relationship with all the book The Magic of Recluce. You never sense lose out for everything in the event you read some books.

Thomas Hodge:

Playing with family in a very park, coming to see the ocean world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Magic of Recluce, you are able to enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its named reading friends.

Julie Ross:

A lot of reserve has printed but it differs from the others. You can get it by web on social media. You can choose the top book for you, science, witty, novel, or whatever by simply searching from it. It is named of book The Magic of Recluce. You'll be able to your knowledge by it. Without causing the printed book, it could add your knowledge and make an individual happier to read. It is most important that, you must aware about reserve. It can bring you from one place to other place.

Bruce Butera:

What is your hobby? Have you heard in which question when you got pupils? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person such as reading or as examining become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them are these claims The Magic of Recluce.
