This light-hearted short story duo is sure to make you smile, chortle, and outright laugh. A Fairy Tail follows the desperate adventures of Sir Craig as he works to rescue his beloved from a fiendish sorcerer. However, Boots, a ragged young man who has a habit of shapechanging into various creatures including a unicorn, is a rival for fair Gregoria's hand. Will Craig rescue Gregoria? Will Boots get to eat apples out of Gregoria's hand? Or will darker forces intervene to keep these lovers apart? Out of the Bag is a short short story, but long on imagination. Jason the cop expects a normal day on the force, but a chance encounter on a breaking and entering call changes everything.
