Easy Street: A Guide For Players In Improvised Interactive Environmental Performance, Walkaround Entertainment, And First-Person Historical Interpretation Ann-Elizabeth Shapera

Easy Street is a guide for players in improvised interactive environmental performance, walkaround entertainment, and first-person historical reenacting. It's also about much, much more than that, because the principles of effective Street play apply to any situation involving connections between people: sellers and customers, teachers and students, service providers and clients, programmers and end-users, co-workers, teammates, and fellow members of Leagues of Superheroes thrive wildly when these principles are in play. A-E Shapera has performed and taught at Shakespeare festivals, Renaissance Faires, fringe festivals and historical reenactments for over twenty years. Her walkaround character, Jane the Phoole, has performed by invitation at England's Muncaster Castle, home to the original "Tom Fool," and is the Official Municipal Jester of the City of Milwaukee. With a pithy blurb by bestselling author Christopher Moore!
