Garden Cities of To-Morrow Ebenezer Howard

Originally published in 1898 as *To-Morrow: A Peaceful Path to Real Reform* and reissued in 1902 under its present title, *Garden Cities of To-Morrow* holds a unique place in town planning literature. The book led directly to two experiments in town-founding that have had a profound influence on practical urban development around the world. The book was also responsible for the introduction of the term *Garden City*, and set into motion ideas that helped transform town planning.
