Managing the Public Sector

Grover Starling

Managing the Public Sector Grover Starling

Combining the most current public management thinking and research with examples of how public executives and organizations apply these ideas, MANAGING THE PUBLIC SECTOR is a comprehensive introduction to the field of public management. The Ninth Edition continues to engage the student's intellect by providing more than just the basic foundations of management; it places the application of management in the context of the public sector and tries to capture the excitement and challenge of the field.
