The stories of these conflicts, with their scores of killings, torture, reprisals and long lasting bitterness are told concisely in this book. Easter 1916 - the rebellion that took place in Ireland 95 years ago was arguably the most momentous event in that country's history. The War of Independence - the guerrilla war, characterised by marvellous courage and miserable cruelty. The Civil War - few episodes in Irish history are as poignant, bloody and unnecessary. This book traces the causes, events and consequences of these events. It will help a peaceful generation for which the bloody birth of modern Ireland is ancient history, to gain a better understanding of the essence of their nation.
