She's Come Undone (Oprah's Book Club) Wally Lamb

In this extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch a wild ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years.

"Mine is a story of craving: an unreliable account of lusts and troubles that began, somehow, in 1956 on the day our free television was delivered. . ."

Meet Dolores Price. She's thirteen, wise-mouthed but wounded, having bid her childhood good-bye. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the Mallomars, potato chips, and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly-up.

At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably lovable, Dolores is as poignantly real as our own imperfections. *She's Come Undone* includes a promise: you will never forget Dolores Price.
