The Book Ryan Hoque

"The Book" initially had a title of "The Assorted Book of Supremely Short Stories, Random Raps, Hilarious Plays, Humorous Poems, and Intensely Inspirational Speeches." The full title is still on the title page of the book, but everywhere else it is shortened to "The Book." It was called this lengthy title because that is essentially what "The Book" is. It has numerous entries that are either short stories, raps, plays, poems, inspirational speeches, or some other kind of short narrative. These humorous entries are completely designed to make you laugh. If you want to read a good book but don't want to concentrate too hard, think too much, ponder about the world depressingly, or get emotionally moved, this novel is an excellent feel-good book that will have you laughing in no time - especially if you are a kid, teenager, or young adult. Purchase today on Kindle for under a dollar (\$0.99 is the lowest price Amazon lets me have)!
