The self-centered director of a small Shakespearean troupe has been killed on the flanks of a remote Utah bluff, and ex-sheriff Bud Shumway knows it has something to do with someone in the Witness Protection Program, even though his bumbling replacement, Sheriff Howie, suspects a mysterious prospector who has just arrived from the Superstition Mountains. Set at the Silver Spur Cafe in a nearly-abandoned railroad town in southeast Utah, this mystery will have you laughing, scared to death, and wondering when Shakespeare's going to roll over in his grave. Add in a whacky bunch of hippie kids in an old converted school bus, a suspicious waitress, an invasion of old Rolls Royces, a group of superstitious actors, and the local Liar's Club, and you'll soon see why there's bound to be foul play at the Silver Spur Cafe. In any case, you'll find out who really killed the director, and it may not be who you think. And you'll also find that to shoot or not to shoot, that is the question. This is book #5 in the Bud Shumway Mystery Series and is the ebook equivalent of a 230 page print book. You'll also enjoy book #1, "The Ghost Rock Cafe," book #2, "The Slickrock Cafe," book #3, "The Paradox Cafe," and book #4, "The No Delay Cafe."
