Do you want to publish your own book on Amazon? Do you not know where to start? The Best Seller Blueprint is the perfect guide that will walk you through writing, publishing, and promoting books on Amazon.

Start with the basics of understanding how to make money on Amazon. How do the rankings work? How can you get to the top of the list? Then, dive into the creation of your book. Best Seller Blueprint covers everything from writing to formatting, clickable table of contents to generating leads within your book. Then, we'll cover all of the steps to actually publishing your book on Amazon including choosing the right categories for success, deciphering royalty options, and uploading the right file types. In the last section of the book, we'll cover promotion. I'll walk you through how I use the Kindle Select Program to rank #1 in the best seller lists, how to promote on social media and YouTube, and how to track your earnings so that you can improve your sales.

Since 2012, author Phil Ebiner has been building online businesses that create passive income. His first book hit #1 on five different best seller categories and continues to make hundreds in passive income each month. Over the past few years, Phil has researched and experimented with different ways to write, publish, and promote books online. The entire process is broken down in this book.

If you're looking for the ultimate guide that will have you publishing your own successful book in a short amount of time, Best Seller Blueprint is the book for you.
