Will Reconstruction really change America?

Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books!

Shifted By The Winds is the 8th book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a worldwide bestseller. Thank you!

Description: Carrie and her housemates battle cholera in Philadelphia. Her world is turned upside down when she discovers the truth of her heritage. Will it completely change her path?

Robert watches his dreams fade before his eyes when he refuses to align himself with southern beliefs after the war. Rose has to face down a new threat, and Moses is forced to step into the role he has avoided.

Janie has agreed to marry Matthew, but can she actually move beyond her fears and become his wife? And will Jeremy realize Marietta's life as a Mulatto's wife is just too dangerous for the woman he loves?

So many of the characters you have come to know and love face both challenges and joys in this turbulent time in history.

Volume # 8 of the Bregdan Chronicles continues the sweeping historical saga that now encompasses the second year of American Reconstruction.

** How many books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time!
