Taking on Heart Disease: Peggy Fleming, Brian Littrell et al Reveal How They Triumphed Over the Nation's #1 Killer--And How You Can, Too! Larry King, Spotlight Health

More than 60 million people in the United States currently suffer from some form of heart disease. And even though the risk for the disease can be drastically reduced through changes in lifestyle and diet, the number of people with heart disease continues to grow. In an effort to reverse this deadly trend, Larry King has joined some of America's favorite celebrities from the worlds of sports, politics, journalism, music, and entertainment to reveal their highly personal stories of struggling with--and overcoming--heart disease. From the early warning signs, to the diagnosis, to the process of recovery and renewal, each celebrity reveals how he or she became a heart disease survivor.

Told in their own words, these candid accounts by some of America's most beloved celebrities offer inspiration, hope, and practical wisdom for anyone whose life has been touched by heart disease. This wise book also includes the latest advice from the celebrities' doctors--who are among the best in the world--on the prevention and treatment of heart disease.
