Thousand Days: John F. Kennedy in the White House

David Sobel, Arthur M. Schlesinger Jr.

Thousand Days: John F. Kennedy in the White House David Sobel, Arthur M. Schlesinger Jr.

Written by one of our foremost historians and published in 1965, *A Thousand Days* is still considered the most complete and definitive portrait of John F. Kennedy and his administration. Handpicked by Kennedy to serve as special assistant to the president, historian and Harvard professor Arthur M. Schlesinger, Jr. witnessed firsthand the politics and personalities that influenced some of the most important and dramatic events in modern history.

The hundreds of photographs and documents included here have been gleaned from such sources as the John F. Kennedy Library, the Library of Congress, the Associated Press, *Life* magazine, and more. The photos capture private meetings with the president, the Bay of Pigs, the Civil Rights movement, and the Cuban Missile Crisis, as well as official White House memoranda, public speeches, social occasions, and private moments with the Kennedy family. These powerful images add a new dimension to the award-winning text and introduce a new generation to some of the most important and visually iconic moments in our recent past.
