Thumbelina

Thumbelina

Join tiny Thumbelina on her magical journey from lost child to beloved bride in this glorious large-format picture book. Born in a flower, Thumbelina braves the enormous, dangerous world until, through her kindness and courage, she is delivered to a kingdom of people just her size. When Susan Jeffers's original version was first published in 1979, *School Library Journal* called it in a starred review "a remarkable, lovely version of one of the author's most beloved tales." New jacket art, recolored and newly rendered interior art, and gold foil borders all add to the value and elegance of this reissue.
