In Angel Healing & Alchemy the reader will learn the true significance of mighty Melchisadec, Prince of Peace, as well as of Sacred Seven and the Seventh Ray of Violet. This practical handbook teaches firstly how to work with angels and to develop "clair" skills, to feel and sense the presence of the angels. And then how to work with each of the eight mighty angels in turn, using this knowledge to gradually heal self and life. The objective is to connect with each angel in order to draw angelic rays of healing, using these to release blocks, gain a higher vibration and to thus attain new levels of physical/spiritual harmony.
