Spice-o-meter Rating: This fun, steamy romance is a solid 7.5, maybe an 8, on a scale of 1 to 10, with 1 being Mild (Grandma's diary - let's hope!) and 10 being Ooh La La, I'm blushing, but I can't seem to stop turning the pages (The Fifty Shades of Grey Red Room of Pain). If YOU love reading about naughty, complicated love-triangles, or if you enjoy fun, contemporary romance novels with surprising twists along the way, get ready to spend the day reading "Chances and Choices." In "Taking Chances" (the first half of this fast-paced, exciting story), we meet Abigail Brown, a 28-year-old divorcee who has never had an orgasm, much to her chagrin. Despite being self-conscious about what she considers to be her body's failings, she has built a terrific life for herself in the quaint, lakeside town of Harbor Shores, Michigan. Abby thinks that she has discovered her 'happily ever after' ending when she stumbles upon the perfect man. Just when you think you have this book all figured out, some unexpected surprises come along and completely shake up Abby's world. Abby needs to make some difficult decisions in the second half of her story, "Making Choices." Who will she choose? Who should she choose? She has made a mess of her life. Will she be able to fix it or is it too late? With "Chances and Choices," you get both novels, combined into one terrific book. Get your copy NOW because it's a great day to relax and enjoy reading a new book that you won't want to put down!
