East Timor: The Price of Freedom (Politics in Contemporary Asia) John G. Taylor

The people of East Timor voted overwhelming in August 1999 for independence and an end to Indonesian occupation. In this updated and expanded edition of "Indonesia's Forgotten War: The Hidden History of East Timor", John Taylor tells the story of what happened following President Suharto's overthrow. The new government conceded the right of the United Nations to organise the long delayed referendum giving the East Timorese a choice between continued association with Indonesia or independence. At the very moment the historic vote was being counted, armed gangs organised by the Indonesian military plunged the island into an orgy of killing, burning and forced flight. John Taylor analyses the world's reaction to this new genocide of the East Timorese people, the despatch of a peacekeeping force and the prospects of independence.
