Nearly Found

Elle Cosimano

Nearly Found Elle Cosimano

The sequel to the highly praised and intricately plotted *Nearly Gone*--a YA urban mystery that's perfect for fans of *Bones*, *Numbers*, and *The Body Finder*

After Nearly Boswell starts working as an intern at a crime lab, a girl from her trailer park turns up dead. Then the corpse of a missing person is discovered, buried on a golf course, with a message for Nearly etched into the bones. When Nearly finds out the corpse is the father of Eric, a classmate of hers, she starts to worry that the body is connected to her father's disappearance five years ago. Nearly, Reece, and Nearly's classmates--Vince, Jeremy, and Eric--start a dangerous investigation into their fathers' pasts that threatens Nearly's fragile romance with Reece, and puts all them in the killer's path.

From reader reviews:

Evelyn White:

Nowadays reading books are more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want feel happy read one having theme for entertaining such as comic or novel. Often the Nearly Found is kind of guide which is giving the reader unstable experience.

Jean McFerren:

Reading can called head hangout, why? Because when you are reading a book particularly book entitled Nearly Found your brain will drift away trough every dimension, wandering in most aspect that maybe not known for but surely might be your mind friends. Imaging each word written in a publication then become one form conclusion and explanation that maybe you never get before. The Nearly Found giving you a different experience more than blown away your head but also giving you useful details for your better life in this particular era. So now let us teach you the relaxing pattern here is your body and mind is going to be pleased when you are finished examining it, like winning an activity. Do you want to try this extraordinary spending spare time activity?

Robyn Pugh:

Beside this Nearly Found in your phone, it might give you a way to get closer to the new knowledge or information. The information and the knowledge you are going to got here is fresh from your oven so don't always be worry if you feel like an previous people live in narrow community. It is good thing to have Nearly Found because this book offers to you readable information. Do you at times have book but you don't get what it's exactly about. Oh come on, that wil happen if you have this inside your hand. The Enjoyable option here cannot be questionable, including treasuring beautiful island. So do you still want to miss that? Find this book along with read it from now!

Todd Robinson:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Nearly Found can make you truly feel more interested to read.
