Rosemary's Baby and Son of Rosemary: Collected Edition Ira Levin

In *Rosemary's Baby*, Rosemary Woodhouse and her struggling actor husband, Guy, move into the Bramford, an old New York City apartment building with an ominous reputation and mostly elderly residents. Neighbors Roman and Minnie Castavet soon come nosing around to welcome the Woodhouses to the building, and despite Rosemary's reservations about their eccentricity and the weird noises that she keeps hearing, her husband takes a special shine to them. Shortly after Guy lands a plum Broadway role, Rosemary becomes pregnant, and the Castavets start taking a special interest in her welfare. As the sickened Rosemary becomes increasingly isolated, she begins to suspect that the Castavets' circle is not what it seems...

In *Son of Rosemary*, the year is 1999, and humanity dreads the approaching twenty-first century, desperately in search of a savior for this troubled world. In New York City, Rosemary's son, Andy, is believed to be that savior. But is he the force of good his followers accept him to be? Or is he his father's son? Rosemary and Andy will be reunited in a battle of wills that shall decide the fate of humanity and keep readers on the edge of the seats until the final page.
