Blitzed Sarah Minton

When I was twenty one years old, a boy ripped my heart out. For the first time in my life, I felt my heart break. I felt it actually break. So I wrote. I wrote because it was the only thing I knew how to do. I wrote because I didn't have to wear a pretend smile or exude a tough exterior in my words. Sometimes in life, the things that seem to be the worst possible thing that could possibly happen, in reality are the best. Sometimes our hearts have to break before we can begin to really learn the lessons life has for us. Join Sarah on her journey as she learns to understand why God broke her heart. For Sarah, heartbreak becomes more about what God is trying to tell her and less about the actual act. Experience her feelings, real, true, and Blitzed.
