**If you're reading this I can guess that you've either lived or worked with dogs. We don't call them man's best friend for nothing. Since the very dawn of civilisation man has shared his life with our canine friends.**

The relationships we have with our dogs are as real and intense as any we have with our family and friends or partners, many would say more important in a lot of ways.

Even though we don't share a common verbal language something magical happens when your soul meets with the warm, trusting nature and intelligence of a dog. All they ask for is kindness, compassion and a regular meal. In return they will be with you through the trials of life, your best friend, always loyal and always has your back when the road gets rough.

A dog makes a house a home and completes the family. A person with the love and understanding of dogs is a person I can trust and relate to, I'm sure you feel the same way.

If you want some funny, sad and heartwarming short reads treat yourself and go to the top of the page and grab a copy. Cuddle up with your pooch and enjoy these Dog Tales.
