Generation iY: Our Last Chance to Save Their Future Tim Elmore

The one book every parent, teacher, coach, and youth pastor should read. This landmark book paints a compelling-and sobering-picture of what could happen to our society if we don't change the way we relate to today's teens and young adults. Researched-based and solution-biased, it moves beyond sounding an alarm to outlining practical strategies to: * Guide "stuck" adolescents and at-risk boys to productive adulthood * Correct crippling parenting styles * Repair damage from (unintentional) lies we've told kids * Guide them toward real success instead of superficial "self-esteem" * Adopt education strategies that engage (instead of bore) an "i" generation * Pull youth out of their "digital" ghetto into the real world * Employ their strengths and work with their weaknesses on the job * Defuse a worldwide demographic time bomb * Equip Generation iY to lead us into the future
