*Forced together by fate, bound together by desire*

Framed for a double murder, Delta Force operative Cameron Moore is given a new lease on life by the CIA—provided he pays them back by doing their black ops dirty work. But now Cam is ready to renegotiate the deal, and he thinks he's found the perfect bargaining chip: Skylar Slavin, bestselling author of espionage thrillers and the daughter of the CIA man who saved Cam from a prison sentence.

Skylar has been living in anonymity, never suspecting that someone so dangerous—and so desirable—would plunge her into a world as treacherous as one of her spy novels. But how can Cam go through with his plan to kidnap Skylar when just the sight of her sets off an explosive attraction he's never experienced before? And when Skylar falls prey to an even more perilous threat, this special ops soldier must call upon all his combat skills to protect the one person who can help him win his freedom—and the only woman he's ever loved.
